General Conditions

Enrollment at ISP International School requires the student and parents to read and accept all conditions listed below

1) Description of the program :

ISP International School students are enrolled at Laurel Spring School, an accredited NCAA American school, and follow an American curriculum preparing them for Grade 12 graduation. There are 4 compulsory subjects (Math, English, Science and History) and additional required courses depending of the grade level.

Students follow scheduled classes with teachers and have supervised study sessions. The ISP International School Coordinator closely follows up all students and liaises with LSS and parents.

2) Enrollment and costs :

Enrollment at ISP International School and costs are described in the section "Program costs" above. No enrollment will be accepted without the full deposit being paid to the Academy. ISP International School has the right to refuse a student if delay in fee payment goes over one month.

3) School rules :

Every student is given a list of school rules on arrival on campus to read and sign. Students must follow these rules closely. Any breach will be penalized and could lead to expulsion.

4) Theft :

ISP Academies cannot be considered responsible for any theft. Students are strongly advised not to bring any valuable items to the Academy.

5) Use of illicit substances:

Any use or possession of illicit substances (including alcohol) is totally forbidden within ISP International School. Any proven use or of such substance will lead to immediate expulsion.

6) Cancellation :

Any interruption of studies at ISP International School must be given in writing. Registered mail must be addressed to ISP SPORTS ETUDES, La Sauvagelle - 761 Chemin des Graous, 83440 Callian.

7) Unexpected circumstances :

In the case of unexpected circumstances leading to a physical inability to do sport within the Academy, ISP International School will not be obliged to reimburse payments already made. However, ISP international School will try to find and offer a satisfying alternative solution.

8) Copyright :

ISP International School has the right to use photos or press articles dealing with one of its students.
